ABOUT THE COURSE

Certificate Course in Dynamic Numerology

Numbers and their relationship to the universe and to individual lives have intrigued people for centuries. Numerology can be used to understand a person's strengths, weaknesses, obstacles, talents and inner needs.

As a numerologist you can work as a freelance consultant, and numerology also strengthens related practices like astrology and Vastu.

Who should join

- Beginners curious about numbers
- Astrologers and Vastu consultants
- Business owners naming brands and products
- Anyone who wants to consult professionally

Practical sessions

- Client and consultant role play
- Handling real cases
- Case studies

OUTCOMES

What you will learn

1. How different numbers can change your life
2. How to make relationships after marriage more compatible
3. Which colour, day and date bring you fortune
4. How to choose the right luxuries for you
5. How to identify your lucky number
6. How to improve the efficiency of your name
7. Using numerology to find inner potential and improve finances and growth
8. Finding the most favourable career stream from a date of birth
9. How numbers help you connect with like minded personalities
10. Applications of numerology that help you attract more from life
11. Creating impactful email IDs and mobile numbers

OUTCOMES

What you will learn (continued)

12. Making powerful alphanumeric codes for passwords
13. Selecting the most favourable dates for positive results
14. Finding your favourable directions and colours
15. Selecting a lucky car number
16. Improving the vibrations of your house with the right numbers
17. Selecting the right property for maximum returns
18. Framing beneficial names for brands, companies and products
19. Signature analysis to correct negative thought patterns and attract growth and money
20. Identifying gems from a person's numbers and birth chart
21. Combining numerology with astrology for deeper consultations
